President-
Welcome to Motorcycle Safety Awareness Month 2022. By the time you are reading this, we will be over halfway through receiving the proclamations from our local officials. We want to thank all of them for recognizing this month for us.

Look around the county and see the motorcycle safety signs at local businesses. If you see someone without one, stop and give them one. We have plenty. Go to our Facebook page and see who is in our sign contest and vote for your favorite. At the end of the month, someone will win free advertising.

May 7th will be our first meeting at O'Calahans. This may be the most important meeting of the year. It will be our final round of nominations. We have several positions without nominees. Please come and take part in the process. It is important for the future of our chapter.

Ride safe,

Greetings Fellow Members and Supporters! Some latest news from our State Capitol:

TALLAHASSEE --- With a special legislative session approaching to finish congressional redistricting work, Gov. Ron DeSantis is holding off on making an endorsement in the Republican primary for state agriculture commissioner.

After Winter Park Republican Chuck Nadd filed paperwork to run for agriculture commissioner, DeSantis declined to pick favorites when asked Tuesday about the primary that also includes Senate President Wilton Simpson, a Trilby Republican who has received backing from former President Donald Trump.

DeSantis, who recently waded into a state Senate contest to endorse Rep. Blaise Ingoglia, R-Spring Hill, said he "will absolutely" get involved in more Republican primaries. However, DeSantis said "we're not going to do anything today."

The governor called the special session for April 19 to April 22 after he vetoed a congressional redistricting plan passed by lawmakers. The Senate passed an initial congressional map that included key differences from a DeSantis proposal. The Senate and House then passed a plan to try to address DeSantis' concerns, but the governor rejected it — and has continued touting his proposal.

Simpson recently drew endorsements from Attorney General Ashley Moody and state Chief Financial Officer Jimmy Patronis.

DeSantis said Simpson has "helped us in a number of different things." But, DeSantis added, "we've got some more to do. We're gonna have some more work to do this year. But hopefully, we'll be able to get a lot of great stuff across the finish line."

Thank you for your continued membership and support!

Safety-

The headlines this week reported three motorcyclist killed in three separate accidents in Marion County over the weekend. Two of these were left turns into the motorcyclists. When will this ever end? What can we do as motorcyclists to reduce the chance of this happening to us?

At every intersection act as if someone is going to run over you. Watch every car as you approach the intersection. Adjust your speed and cover your controls, and be ready for anything to happen. Try to make sure you are seen by those making turns. Get out of the intersection and resume your ride.

Be careful out there. They are out to get you.

Thanks &
Ride safe John

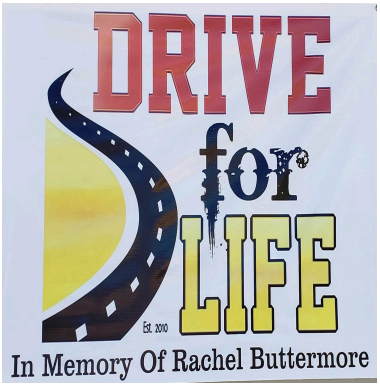
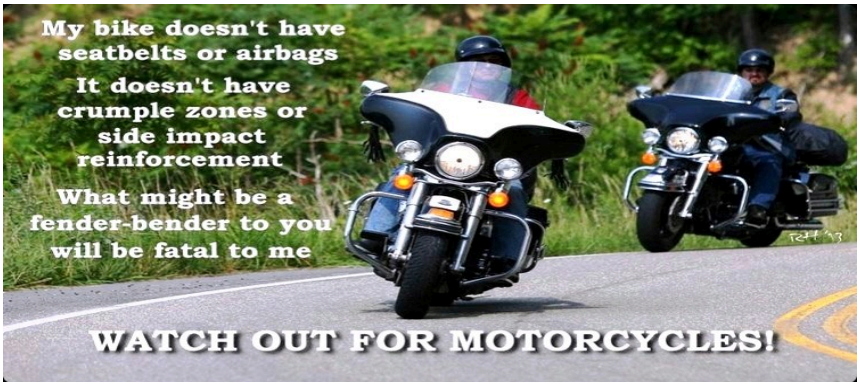
NEWS FLASH-

April 8, 2022- ABATE of Florida, Inc.-Forest Chapter reestablished a relationship with the Marion County School System to share motorcycle safety information with around 1300 students.

Russ Pace, chapter PR trustee and John Melin, chapter president participated in North Marion High School's "Drive for Life" campaign today, along with the Marion County Sheriff's Department and other organizations.

Our last-minute entry into this program was due to coordination between Russ and high school staff. The school staff stated that we would have a larger role in next year's two-day event. The event provides information for new and soon-to-be drivers on driver safety issue such as distracted driving, driving under the influence, and more, since the school does no longer has a drivers' education program. Many students were excited to see motorcycle safety added to the program.





SOME NOTABLE TRIAL RESULTS!

$9.6 MILLION VERDICT AWARDED TO INJURED MOTORCYCLIST

On November 11, 2018, Joe S. was riding his motorcycle at a lawful rate of speed south bound on North Citrus Avenue in Crystal River, Florida and had the right of way. A north bound sport utility vehicle turned left in front of Joe S. violating his right of way. Joe S. and his motorcycle slammed into the passenger side of the sport utility vehicle, and he sustained severe facial lacerations and multiple fractures to his left arm and pelvis. First – Responders called for Joe S. to be transported by Life Flight helicopter immediately to Ocala Regional Medical Center's Level Two Trauma Center. Doctors and staff there saved Joe S.'s life and performed multiple surgeries on his face, left arm and pelvis. After seven weeks in ORMC, Joe S. was discharged home into the care of family members. His serious and permanent injuries have had a profoundly adverse effect on his quality of life.

Ocala personal injury and motorcycle accident lawyer, Dan Hightower, filed a negligence lawsuit on behalf of his client, Joe S. in Citrus County, Florida in 2019. During the week of February 10, 2020, Mr. Hightower tried the case in Citrus County Circuit Court. After the conclusion of the trial, a verdict was rendered by the Court in favor of Joe S. and against the Defendant SUV driver for $9,661,232.98.

When asked for comment on the verdict, Mr. Hightower simply said two things: 1) "Justice was served" and 2) "Watch out for motorcycles."

Valued Business Owner,

As president of **ABATE of Florida, Inc- Forest Chapter**, I am asking that you display motorcycle safety messages on your marquee or other signs in the period leading up to and through the month of May for Motorcycle Safety and Awareness Month. The Marion County Commission as well as the five incorporated areas of Marion County have proclaimed May as Motorcycle Safety Awareness Month. ABATE of Florida, Inc is a statewide motorcycle safety and motorcycle rights organization. Forest Chapter covers the Marion County area.

By displaying these messages, we can raise awareness of motorcycle in our area and potentially prevent deadly accidents. It will also show that our towns and businesses are motorcycle friendly and bring business to you. I have enclosed a list of example messages on the back of this letter. We will provide yard signs with the safety message, free of charge, if you want to participate in our contest.

Email or text a photo of your sign to the contact information below. We will post the pictures to our Facebook page.
Some photos will be featured in our newsletter, based on Facebook reactions. The photo with the most positive reactions, will earn you a free three-month, ¼-page advertisement in our newsletter.

Thank-you for considering our request and we hope to see our roads covered with support for motorcycle safety during these times. You can contact me at 352-318-6514 or **forest.abate@gmail.com.**
